Lessor shall pay all costs of the Tenant Improvements and the cost associated with constructing the Tenant Improvements on the Demised Premises, including the fees of the Architect(s) and Engineer(s), and all sums owed to any contractor involved with constructing the Tenant Improvements. Any approved Tenant Improvement costs not reimbursed in full by the State prior to the Commencement Date may be amortized over the Term of the Lease.

**6.10 Proof of Guarantees and Construction Notice.** At the request of the State, Lessor shall not commence any construction of Tenant Improvements until full copies of all insurance policies, performance bonds and/or completion guarantees have been delivered to the State and the State has acknowledged in writing receipt thereof. Lessee may not make such a request any more frequently than once every five (5) years from Commencement Date. Lessor shall re-carpet the Demised Premises upon a request of the Lessee to do so and shall also be responsible for any costs incurred and associated with the movement of Lessee's machinery, equipment, furniture and fixtures required to accomplish the re-carpeting. Lessee may not make such a request any more frequently than once every ten (10) years from Commencement Date. Carpet replacements under warranty conditions do not preclude the enforcement of this clause. Paint and carpet specifications are located in the State of Maryland General Performance Standards and Specifications for Leased Facilities

**6.14 Construction Progress and Coordination.** On a routine basis during the planning and construction of the Tenant Improvements, Lessor shall meet with DGS Office of Real Estate so that Lessor may review with State the progress of plans and construction, so that Lessor and State may coordinate the construction of the Tenant Improvements, and determine the construction schedules and methods that will have minimum impact on operations, if any, of any State activities on the Demised Premises, and other agencies or units of the State using any facilities at the Demised Premises.

**6.15 Damage and Repair.** Lessor shall be solely responsible for repairing any

buildings, roads, parking lots, grounds, utilities or other structures, improvements and areas on the Demised Premises, the Property, or the Building, damaged by vehicles or machinery of Lessor's Contractor(s), suppliers, or agents before, during or after construction.

The State shall not be responsible for the security and safety of any construction equipment or supplies.

**6.17 Utilities.** If utilities have to be relocated or disrupted due to construction of the Tenant Improvements, the relocation or disruption shall be done at the cost and expense of Lessor and in accordance with any provisions set forth in this Lease. In the event that utilities are relocated, the Lessor shall move all affected, existing utility equipment on the Demised Premises, Property, and/or Building to the new location at Lessor's expense.

**6.18 No Waiver of Requirements.** State's execution of this Lease does not imply approval nor imply exception to any permit requirement of the State of Maryland. The Lessor's construction of, renovations to, and improvements on, the Demised Premises shall be in compliance with the requirements of all applicable laws, ordinances, rules and regulations. Lessor shall be responsible for obtaining all applicable permits, licenses, inspections and approvals required for construction of, renovations to, and improvement to the Demised Premises, and shall deliver to State copies of all necessary permits, licenses, inspections and approvals prior to taking any action requiring such permits, licenses, inspections and approvals. The Lessor shall be responsible for and assume all liability in connection with any public hearings conducted in connection with the issuance of any permit, license or other governmental approval.

#### **Commencement and Occupancy.**

**7.1 Rent Abatement.** Notwithstanding any other provision of this Lease, the Tenant Improvements required under this Lease shall be completed before Lessee's occupancy shall begin. In the event the Demised Premises are not completed on the date specified within this Lease, the rent provided for herein and Lessee's obligations pursuant to this Lease shall abate until the Demised Premises are fully occupied by the Lessee or until 10 business days after inspection and acceptance by the Department of General Services, whichever event shall first occur. In order to allow Lessee sufficient time to schedule and conduct an inspection of the Demised Premises, for the purpose of full or partial occupancy, Lessor shall give Lessee written notice that the Demised Premises have been completed and all required use or occupancy permits have been obtained. Lessee shall have 10 business days after receipt of Lessor's written notice to conduct its inspection of the Demised Premises.

**7.2 Partial Occupancy.** Lessee may, prior to completion of the renovations, occupy any portion of the Demised Premises mutually agreed upon by Lessor and Lessee. Rent payable during such partial occupancy shall be paid proportionately to the area occupied by the Lessee and the rent payable shall be adjusted to the actual term of such partial occupancy.

**7.3 Occupancy.** Occupancy is the date Lessee begins operating from the Demised Premises. Storage of furniture or equipment in the Demised Premises as may be mutually agreed upon by Lessor and Lessee shall not constitute "constructive occupancy" or acceptance of the space by the Lessee.

**7.4 Supplemental Commencement Date.** Regardless of the date specified at the outset of the Lease, the initial term of this Lease shall commence on the date the Demised Premises are fully occupied and shall terminate at the end of the length of time specified for the Term. If the term of this lease would begin and/or end other than on the first day of the month, Lessee shall pay proportionate rent at the same monthly rate set forth in this Lease for such partial month and all other terms and conditions of this Lease shall be in force and effect during such partial month. If the Commencement Date is altered as a result of this provision, the specific Commencement Date of this Lease shall be established by Supplemental Lease hereto.

**7.5 Building Rules and Regulations.** The Lessee, its agents and employees shall comply, to the extent authorized by applicable law, with reasonable building rules and regulations approved in advance by Office of Real Estate, Department of General Services. The Lessor may modify these rules and regulations from time to time, but such changes must first be approved by the Procurement Officer for leasing, Office of Real Estate, Department of General Services. To effect a change, the Lessor shall submit the rule or regulation change to the Procurement Officer for approval. Upon approval, the Procurement Officer shall, by letter, notify each of the parties to the Lease and the change shall become effective upon the date of the Procurement Officer's letter. Whenever any rule shall conflict with the provisions of this Lease, the Lease provision shall prevail.

### **Repairs and Maintenance.**

**8.1 Damage or Defects.** Lessee, upon discovery, shall give to Lessor prompt written notice of any accidents or damage to, or defects in, the roof, the exterior of the building, plumbing, electrical service, electric lights, or HVAC apparatus. These defects and/or damage shall be remedied by Lessor, including any costs incurred and associated with the movement of Lessee's machinery, equipment, furniture and fixtures, if such moving is required to remedy the defect. It is understood by the parties that this does not impose an obligation upon the Lessee to inspect the building for accidents, damage or defects nor hold the Lessee liable for failure to do so.

**8.2 Lessor's Responsibility for Repairs.** All repairs to the Demised Premises including repairs to the exterior of the Building, no matter how caused are to be made and paid for by the Lessor, including any costs incurred and associated with the movement of Lessee's machinery, equipment, furniture and fixtures, if such moving is required to make the repairs.

**8.3 Lessee's Responsibility for Repairs.** The Lessee shall only be responsible for the financial reimbursement to the Lessor of the actual costs for repairs made by the Lessor or its agent to the Demised Premises caused by the gross negligence of the Lessee, its agents, employees or invitees. Lessor shall provide to the Lessee copies of the actual invoices for work caused by the gross negligence of the Lessee, its agents, employees or invitees. Notwithstanding anything to the contrary, Lessee's liability for the reimbursement of said costs shall be contingent upon Lessor obtaining written approval of costs from Department of General Services Office of Real Estate (DGS) prior to the commencement of any work.

**8.4 Failure to Repair.** In the event the Lessor fails to a) replace promptly any broken item; b) make necessary repairs; or c) maintain the Building and Property as herein provided for, the Lessee is herewith empowered and authorized, but not obligated to, after written notice has been given the Lessor, to make all necessary repairs or perform the required maintenance, charging the Lessor for the making of such repairs or performing said maintenance and deducting the cost thereof from any subsequent payment or payments of Rent due under the terms of the Lease or by such other legal process it might elect. In the event Lessor fails to repair or perform maintenance and Lessee elects not to repair or perform the maintenance, DGS, on behalf of the Lessee, shall have the right to withhold (abate) payment of Rent until such time as Lessor completes said repairs or maintenance in a manner satisfactory to DGS Office of Real Estate.

**8.5 Fire Evacuation Plan.** The Lessor agrees to maintain and post a current fire evacuation plan approved by the Fire Department for the Building, and to work with the Lessee in appointing floor fire captains to implement the evacuation plan.

**8.6 Regular Maintenance Inspections.** The Lessor shall designate an authorized representative and agrees to conduct regular maintenance inspections with the Lessee's designee, or also with such frequency as Lessee shall request. The inspections shall identify concerns and problems by the Lessee. The Lessor shall respond in writing within ten (10) days following said inspection detailing action plans and completion times. Both the Lessor and Lessee shall provide points of contact with telephone, facsimile numbers, and e-mail addresses to each other and to

DGS Office of Real Estate. At the election of DGS Office of Real Estate, failure to perform said inspections shall result in the forfeiture of escalation payments.

**8.7 Actionable Mold.** Actionable Mold is mold of types and concentrations in excess of that found in the local outdoor air, visible within the Demised Premises, and/or that which is deemed in Lessee's reasonable judgment to be disruptive to Lessee's operations. Any Actionable Mold must be removed at the sole cost and expense of Lessor. The Lessor shall provide space to the State of Maryland that is free from Actionable Mold and free from any conditions that reasonably can be anticipated to permit the growth of Actionable Mold or are indicative of the possibility that Actionable Mold will be present ("Indicators").

**8.8 Mold Inspection.** At such times as the DGS may direct, including but not limited to: after a flood, water damage not caused by the Lessee or repairs caused by the Lessor, the Lessor, at its sole cost, expense and risk shall: (i) cause an industrial hygienist certified by the American Board of Industrial Hygienists or a qualified consultant ("the Inspector") who, in either instance, is reasonably acceptable to the DGS, to inspect and evaluate the space for the presence of Actionable Mold or mold Indicators; and (ii) cause the Inspector to deliver the results of its inspection and evaluation (the "Report") to the DGS within 30 days after it conducts same and, in all events, at the same time that it delivers the Report to Lessor. With the delivery of the Report, the Inspector shall notify the DGS Office of Real Estate, in writing via cover letter to the report, if the Inspector discovers or suspects the existence of Actionable Mold or Indicators in the leased space.

**8.9 Mold Casualty.** The presence of Actionable Mold in the premises may be treated as a Casualty, as determined by the DGS, in accordance with the Casualty provisions contained in this Lease. In addition to the provisions of the Casualty provisions of this Lease, should the Demised Premises, or a portion thereof, be determined by DGS to be unfit for occupancy due to Actionable Mold resulting from an act of negligence by the Lessor or its agents, the Lessor shall provide reasonably acceptable alternative space at the Lessor's expense, including the cost of moving, and any required alterations thereto.

**8.10 Mold Remediation.** If the Report indicates that Actionable Mold or Indicators are present in the leased space, the Lessor, at its sole cost, expense, and risk, shall within ten (10) business days after its receipt of the Report: 1) retain an experienced mold remediation contractor reasonably acceptable to the State of Maryland to prepare and submit to the State of Maryland and Lessor a remediation plan (the "Plan") and within thirty (30) calendar days after the State of Maryland's approval of the Plan, remediate the Actionable Mold or the Indicators in the leased space, but prior to commencing such remediation, Lessor shall send the State of Maryland a notice stating: (i) the date on which the Actionable Mold remediation shall start and how long it is projected to continue; (ii) which portion of the leased space shall be subject to the remediation; and (iii) the remediation procedures and standards to be used to implement the Plan and the clearance criteria to be employed at the conclusion of the remediation; and 2) notify, in accordance with any applicable Federal, state, and local health and safety requirements, the State of Maryland employees as well as all other occupants of and visitors to the leased space of the nature, location and schedule for the planned remediation and reasons therefore. For the presence of visible mold any building materials impacted by water or condensate must be removed and replaced.

The Lessor shall be responsible for conducting the remediation in accordance with the relevant provisions of the document entitled "Mold Remediation in Schools and Commercial Buildings" (EPA 402-K-01-001, March 2001), published by the U.S. Environmental Protection Agency, as same may be amended or revised from time to time, and any other applicable federal, state, or local laws, regulatory standards and guidelines.

**8.11 Mold Remediation Inspection.** The Lessor acknowledges and agrees that the State of Maryland shall have a reasonable opportunity to inspect the leased space after conclusion of any remediation. If the results of the State of Maryland's inspection indicate that the remediation does not comply with the Plan or any other applicable federal, state, or local laws, regulatory standards or guidelines, the Lessor, at its sole cost, expense and risk, shall immediately take all further actions necessary to bring the remediation into compliance.

**8.12 Failure to Remediate.** If the Lessor fails to exercise due diligence, or is otherwise unable to remediate the Actionable Mold, the State of Maryland may implement a corrective action program and deduct its costs from the Rent and/or terminate the Lease and seek any other remedy available to it by law.
